**More Earth Day Events**

[13th Annual Whale Festival](#)

Sunday, April 19, 10:00am-4:00pm

"This event celebrates the annual migration of the California gray whale and its successful return from the brink of extinction. Whale appreciation and environmental awareness are the themes of the day. Live entertainment, environmental conservation information booths, whale-watching stations, arts and crafts for children, activities, music and food are all a part of the day's events. Experienced naturalists will be on hand to help participants spot and identify gray whales and bottlenose dolphin right from the beach! Parking for the public is \$10"

[Picnic at the Los Angeles County Arboretum](#)

Sunday, April 19

"Every third Sunday of the month, bring a blanket, your lunch, and enjoy a special afternoon at The Arboretum. To ensure a wonderful experience for all and to protect our beautiful gardens, picnics should not include such items as alcohol, sports equipment, or pets. Regular admission prices apply. Every third Sunday of the month from 11:30 a.m. until 3:30 p.m."

[Wilshire Center Car Free Day](#)

Wednesday April 22, 11:00-2:00pm

"There will be NO street closures. Wilshire Blvd and all adjacent streets will remain open. The entire event will take place at 3700 Wilshire Blvd. on the grass lawn between Oxford and Serrano. FREE Electronic Waste Recycling Bring your old TV, computer, monitors and other electronics to be recycled for FREE! The event will feature musical performances by Suzanne Teng & Mystic Journey, Naked Rhythm, Ballet Folklorico de El Salvador ASOSAL (El Salvadorian dance troupe), Korean Fan Dancing, Drumming, and a face painting artist among others. We will host a farmers market featuring organic and locally grown produce. The Mayor's Million Trees Initiative along with KYCC will be giving out over 200 fruit trees. We are encouraging attendees to purchase lunch from one of the many great local restaurants and then come by and enjoy the free entertainment. This years event is sponsored in part by the CRA."

[Earth Day 2009 Restoration & Cleanup](#)

Saturday, April 25, various times and locations across Los Angeles

"In 1998, the CSPF developed its Earth Day Restoration and Cleanup program to engage Californians of all ages and demographics in environmental improvement projects in their communities. It is also an opportunity to educate people about behaviors that will help sustain our planet for future generations. Statewide, thousands of volunteers plant trees, restore trails and wildlife habitat, and clean up beaches and park lands. Millions of others learn about simple things that can be done every day to protect our precious natural resources. We hope you will join us on April 25th at a project site near you."
